

## CR-05 - Goals and Outcomes

### Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Town of Irondequoit continued to focus on housing rehabilitation for low-income homeowners, infrastructure, and public facility improvements in low- and moderate-income neighborhoods, and services to seniors and other vulnerable residents.

### Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Develop or improve public facilities	Non-Homeless Special Needs	CDBG: \$	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	6000	2,831	47.18%	100	1415	100.00%

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

The activities undertaken by Irondequoit during the 2024-25 program year address the following Strategic Plan objectives and areas of high priority identified in the Town's new five-year Consolidated Plan:

- Maintain existing housing stock
- Provide services to vulnerable residents
- Replace or upgrade infrastructure

These objectives reflect the fact that Irondequoit is an older, developed suburban community which is experiencing a stagnant tax base, an aging housing stock, obsolete infrastructure systems, population loss, and increasing demand for public services. The following narrative summarizes the expenditures during the 2024-25 program year.

To address the goal "Maintain existing housing stock," the Irondequoit Home Improvement Program (IHIP) expended \$156,660.12 to make improvements to 68 houses owned by low- and very low-income homeowners.

To address the goal "Provide services to vulnerable residents," Irondequoit used CDBG funds for the following services carried out by not-for-profit organizations: The Senior Transportation Program used \$6,910.19 to provide transportation to medical appointments, community events and other services for 911 rides. The Comprehensive Housing Counseling program expended \$18,584.41 to provide counseling and other services to assist nine households in keeping their homes. These services helped to ensure access to housing for low and moderate income households and to prevent foreclosures. The Life in Irondequoit Elder Care Program used \$22,135.26 in CDBG funds to provide referrals, care management, transportation and other services to frail and isolated elderly residents in order to promote independence and prevent institutionalization. Activities included 182 contacts for information and assistance; 274 referrals to transportation or client trips. The Home Safe Home program used \$9,768.28 in CDBG funds to conduct safety assessments and install safety improvements in homes of elderly residents. The program improved 23 properties by installing exterior and interior door grips, interior stairway handrails, and bedroom and bathroom improvements. The Irondequoit Community Cupboard used \$20,388.70 to provide 11,466 healthy meals to people from low- and very-low income households. Also provided were 108 backpack meals along with snacks, milk, and juice to school children. Approximately 272 households

were served, or an average of 273 people per month.

To address the goal, "Replace or upgrade infrastructure," Irondequoit used CDBG funds to upgrade obsolete infrastructure in low- and moderate-income neighborhoods. In PY2024, the Town expended \$242,351 to complete street infrastructure projects on six streets. Streets resurfaced included portions of: Clinton Avenue, Northfield Road, Oakwood Drive, Paxton Road, Rosemont Circle, and Simpson Road. The Town expended \$62,325 to plant 92 street trees in eligible areas impacting 7,100 residents and \$164,302.86 on sidewalk repairs on six streets. The amount of \$45,219.13 was drawn in 2024 for administration.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG
White	2,613
Black or African American	342
Asian	2
American Indian or American Native	5
Native Hawaiian or Other Pacific Islander	2
<b>Total</b>	<b>2,964</b>
Hispanic	215
Not Hispanic	2,749

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

### Narrative

CDBG-funded activities in the Town of Irondequoit had the potential to benefit all of the 14,893 seniors (age 60 or older, as determined by the American Community Survey 2022 5-Year Estimates) in the Town, as each household received a direct mailing with information about senior services available in the Town. Based on data from the American Community Survey 2022 5-Year Estimates, approximately 11,468 (77%) of the Town's 14,893 seniors (age 60 or older) are White, 1,489 (10%) are Black, 45 (0.3%) are American Indian, 298 (2%) are Asian, 1043 (7%) are two or more races, and 1,489 (10%) seniors (age 60 or older) are Hispanic or Latino.

Many of the Town's seniors also received services through Life in Irondequoit, Home Safe Home, and Senior Transportation Programs.

The Irondequoit Home Improvement Program (IHIP) benefited 21 households. Of the 30 residents in these households, 17 were White, three were Black and one was Hispanic. A total of 12 of the 30 people in benefiting households were seniors (age 62 or older) and five were people with disabilities.

The Housing Counseling program benefited nine people, of whom three were white, five were Black, one was multi-racial.

NOTE: The Total line in the Race table above excludes people who are other races or two or more races.

Data from the Census Bureau's American Community Survey 2022 5-Year Estimates were used to determine racial characteristics of seniors (age 60 and older). To estimate the number and characteristics of persons who reside in Block Groups where street improvements were completed, we used data from the 2019 ACS because the Census Block Group boundaries changed for the 2020 Census.

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	2,016,785.81	835,251.76

Table 3 - Resources Made Available

### Narrative

### Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description

Table 4 – Identify the geographic distribution and location of investments

### Narrative

Resources were not targeted to specific geographic areas.

## **Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

The Town leveraged CDBG funds in several ways. Under the Irondequoit Home Improvement Program (IHIP), the Town leveraged grant money from ESL Credit Union for those housing rehabilitation projects with costs greater than \$4,900 as needed, funding from assisted homeowners, and one address leveraged funding from EMPOWER in the amount of \$4,000.

The following service providers use CDBG funds to leverage funding from other sources: The Housing Council (Comprehensive Housing Counseling), Lifespan (Senior Transportation Program and Home Safe Home for Seniors), Irondequoit Community Cupboard (Healthy Meals and Hunger Prevention Program), and Catholic Family Center (Life in Irondequoit). Leveraging allows these agencies to provide a range of services to Town of Irondequoit residents that would not be possible otherwise.

Street resurfacing, street tree planting, and sidewalk improvements occurred within Town-owned street rights-of-way. For certain components of the street improvements, CDBG funding paid for materials and Town employees provided the labor.

## CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	0	0
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

Table 5 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	80	57
Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>80</b>	<b>57</b>

Table 6 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The Town focuses on maintaining the quality of existing housing through the Irondequoit Home Improvement Program (IHIP.) This program offers CDBG funding grants of up to \$4,900 homeowners for housing rehabilitation. During the 2024 program year, the Town's IHIP staff member left her position, which has slowed the program while new staff members are brought up to speed.

**Discuss how these outcomes will impact future annual action plans.**

The Town expects to continue to devote CDBG resources to the rehabilitation of existing owner-occupied housing units and will continue to promote the program through the coordination of Senior Services and partnerships with community service organizations.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	40	0
Low-income	36	0
Moderate-income	0	0
<b>Total</b>	<b>76</b>	<b>0</b>

**Table 7 – Number of Households Served**

**Narrative Information**

The Irondequoit Home Improvement Program (IHIP) determines eligibility for housing rehabilitation grants based on household size.

Types of improvements included roofs, furnaces or boilers; windows or doors, siding; plumbing; and gutters. These improvements made a significant difference to homeowners' quality of life, remedied code violations, and allowed them to remain in their homes.

If "worst case" situations occur, such as properties that require improvements that exceed the limits of the Town's program, homeowners are referred to Monroe County's HOME program. The HOME program is able to provide additional financial assistance to households with those needs. In the 2024 program year, funding from the HOME program was used to purchase, rehabilitate, and sell a home to a low income homebuyer and to rehabilitate one home, leveraging a total of \$97,779.78 in HOME funds to benefit low income homebuyers and homeowners.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

As a member of the Rochester/ Monroe County Continuum of Care (CoC), the Town of Irondequoit allocates staff to assist with funding allocations and other activities of the coordinating team. A summary of the activities of the CoC and other organizations is attached to this CAPER.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

Emergency shelter and transitional housing is managed through the Continuum of Care, of which Irondequoit is a participating member.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The Town of Irondequoit works through the Rochester/ Monroe County Continuum of Care to support programs that provide direct assistance to homeless persons and that help them to obtain permanent housing and avoid becoming homeless again.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The Comprehensive Housing Counseling program, administered by The Housing Council on behalf of the Town, helps to prevent homelessness among Town residents by preventing foreclosures and connecting residents with information and other sources of assistance. In addition, the Irondequoit Home Improvement Program helps low-income homeowners to make needed repairs to their homes.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

Public housing in the Town of Irondequoit is managed by the Rochester Housing Authority.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Not applicable. The Town does not manage public housing in the Town.

### **Actions taken to provide assistance to troubled PHAs**

Not applicable. The Town does not manage public housing in the Town.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

As most of the Town is already developed, there are few suitable locations for new affordable housing. However, developers have shown interest in redeveloping existing structures into multi-family dwellings as well as demolition of existing structures for the construction of new affordable housing units.

Specific actions taken during the last year to eliminate barriers to affordable housing include the following:

- housing rehabilitation grants helped low- and moderate-income homeowners remain in their homes
- elderly residents received free safety assessments and minor home improvements through the Home Safe Home for Seniors program
- Irondequoit residents were assisted by The Housing Council with housing-related issues including access to affordable housing.
- Irondequoit's Community Development staff provide information to developers about required permits and approvals needed to develop housing in the Town. Town staff work with interested developers as requested to identify available land that may be suitable for the development of affordable housing, including the redevelopment of existing buildings into multi-family dwellings.

## **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The Town continues to allocate CDBG resources to services for elderly, disabled, and low-income residents. As many seniors lack transportation to medical and other appointments, the Town funded a Senior Transportation Program. To meet the need for healthy food, the Town allocated funds to Irondequoit Community Cupboard. Each program that services seniors also refers those residents to additional resources offered by the Town.

Irondequoit has found it necessary to supplement the programs funded by its block grant with services provided by other area governments and not-for-profits and by seeking out additional funding through partnerships with other area agencies. Only in this way are Irondequoit residents able to participate in programs that otherwise would not be available to them.

**Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

The written policies governing the administration of the Irondequoit Home Improvement Program specify the actions that must be taken when the rehabilitation of a house will result in the disturbance of painted surfaces over a certain size. These actions, which comply with HUD's Lead-based Paint regulations, include the testing of painted surfaces for lead-based paint by a certified official and the removal of the paint if the test is positive. Further, a qualified vendor must certify that the lead-based paint has been removed and no longer constitutes a hazard to the house's occupants.

**Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

Because a disproportionate percentage of Irondequoit's elderly population falls below the area's poverty level, the Town recognizes the importance of addressing this group's special needs through Irondequoit's CDBG Program. As the Town has done for the last several years, block grant funds were used during the reporting period to provide its most at-risk senior citizens with services that are designed to ensure their continued independence and well being.

The Town also continued to use block grant funds for infrastructure improvements in Irondequoit's low income block group areas. These areas tend to be located in the community's oldest residential neighborhoods, and contain the highest percentages of low- and moderate-income residents. By stabilizing and upgrading these neighborhoods, the Town has provided many of its lower-income residents with an environment that contributes to their quality of life.

In addition, CDBG funds were used to support the Irondequoit Community Cupboard (ICC), which provided healthy meals to families and snacks to school children.

The Town's participation in Comprehensive Housing Counseling may help some poverty-level families to avoid foreclosure.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The Town of Irondequoit continues to coordinate Town activities with those of other governmental and not-for-profit organizations. The Town coordinates with Monroe County's HOME program to provide assistance to households in need of housing rehabilitation that exceeds the resources available through the Town's IHIP program. Coordination and support of not-for-profit organizations helps to ensure that needed services are available to Irondequoit residents, including housing counseling, food assistance, home safety consultations and senior services.

The Town also coordinates with PathStone to administer weatherization activities within the Town. In the 2024 program year, PathStone assisted 22 single family homes with weatherization activities in the Town for a total of \$245,879 in federal funding.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The Town of Irondequoit continues to coordinate with Monroe County to address affordable and fair housing and housing rehabilitation. Irondequoit continues to implement the joint Action Plan that was prepared in cooperation with Monroe County and the Town of Greece. In 2020, the Town coordinated with Monroe County and the Town of Greece to prepare an updated Analysis of Impediments to Fair Housing Choice.

Because of the Town's membership in the Monroe County HOME Consortium, Irondequoit residents are able to participate in the County's first-time home buyer program as well as other housing programs provided by the County. HOME funds are used to supplement the Town's CDBG-funded housing rehabilitation program for projects exceeding the Irondequoit Home Improvement Program's maximum grant amount.

Irondequoit is also a member of the Rochester/Monroe County Homeless Continuum of Care Team, which is charged with developing, maintaining, monitoring, and continuously improving a continuum of care system of services for area homeless individuals and families. As a member of the Team, Irondequoit is able to participate in the decision-making process that determines the manner in which funds for the homeless are allocated within the metropolitan area. Membership in the Continuum of Care Team enables Irondequoit to overcome a lack of in-house institutional structures dealing with homeless issues. It also ensures that Irondequoit will act in unison with other area jurisdictions and service providers to address homelessness issues and needs.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

- Housing rehabilitation grants, administered by the Town with CDBG funding, helped low- and moderate-income homeowners remain in their homes;
- The Home Safe Home for Seniors program, funded through the Town's CDBG program, provided free safety assessments and minor home improvements to elderly homeowners;
- With funding through the Town's CDBG program, The Housing Council assisted Irondequoit residents with housing-related issues including access to affordable housing and fair housing compliance;
- The Town's Rental Registry of single, 2-family, 3-family and 4-unit buildings available for rent, requires landlords to certify that their buildings meet all required safety and property maintenance codes and that they comply with all applicable local, State and Federal requirements.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

When CDBG funds are used for construction and other services that require public bidding, the Town notifies minority- and women-owned businesses to give them an opportunity to respond.

The Town reviews its strategic goals each year during the preparation of its Annual Plan to ensure that CDBG funds are allocated toward the most critical community needs.

The Town Comptroller is responsible for monitoring the activities of service providers that receive CDBG funds through the Town. Monitoring includes assuring that appropriate records are maintained regarding the benefiting households and that the funds are used to provide the services for which funds were allocated. The Town Commissioner of Public Works is responsible for monitoring expenditures for improvements for infrastructure and public facility improvements, including notifying minority- and women-owned contractors and ensuring that the funds are used for eligible activities. In addition, the Town contracts with a consultant, LaBella Associates, that is knowledgeable and experienced with CDBG and other federal requirements. The CDBG consultant helps to prepare and review bid packages for construction projects as needed and advises the Town to ensure that activities are carried out in accordance with federal regulations and requirements.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

All CDBG reports are made available for public review on the Town's website and through a legal notice in the local newspaper.

Town staff is available by telephone to answer questions from residents and other constituents.

The Town revised its Citizen Participation Plan in 2018 in order to expand opportunities for citizens to have an opportunity to comment on the Town's performance with regard to CDBG-funded activities. The Town conducted a public hearing in **February 2025** to accommodate citizen comments on past performance as well as suggestions for additional activities to be considered for CDBG funding. No

comments were received. The Town conducted a public hearing in May 2025 to accept comments on the proposed allocations for the 2025-26 Program Year and the Town's Five Year Consolidated Plan.

The Town posted the draft CAPER on its website on October 6, 2025 and put a notice in the Daily Record that the CAPER would be available for review both online and in Town Hall, and comments would be received until October 24th.

### **CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

The Town did not alter its program objectives during the 2024 Program Year. The funded programs continue to meet the most critical needs.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

**CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

The Town did not alter its program objectives during the 2024 Program Year. The funded programs continue to meet the most critical needs.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**
