INTRODUCING OUR NEW CHIEF...

Swearing in Scott Peters, IPD Chief of Police
February 21st, 2023

Irondequoit is proud to **Welcome Scott Peters** as the new Chief of Police!

The following excerpts appeared in a January 21st, 2023 article by the Democrat and Chronicle:

“Chief Peters, a Gates resident, spent more than 30 years in law enforcement, including 27 years with RPD. Peters joined the Rochester Police Department in 1992 and spent more than 11 years as an officer before he was promoted to sergeant in 2004, then to lieutenant in 2008. He also served for many years as the commanding officer of the department's SWAT team and served as a commanding officer for the Greater Rochester Area Narcotics Enforcement Team.

In 2019 he retired as RPD's deputy chief of operations. After retiring from RPD, he became a felony crimes investigator for the DA's Office. A graduate of the Aquinas Institute, Peters also graduated from Monroe Community College and the State University College at Oswego. He also graduated from the FBI National Academy.

Town Supervisor Rory Fitzpatrick said that he has the "utmost confidence" in Peters.

"His years of trusted leadership will be a great asset to the men and women of the police department, along with his strong commitment to keep our community safe," Fitzpatrick said.

Chief Peters says, "I am humbled to be given this opportunity and I look forward to serving the residents of Irondequoit," Peters said in a news release. "I have previously worked with many of the officers in the department and I look forward to working with them and using our combined talents focusing on public safety to make Irondequoit the best place to work and live for all." "

Welcome to Irondequoit Chief Peters!

OUR MISSION STATEMENT

The Irondequoit Police Department will safeguard the lives and property of the citizens we serve. We will provide a safe community, and an outstanding quality of life, for all. Exceptional service will be delivered with honor, integrity, and the highest ethical standards.

A Message from Chief Peters...

My goal for the Department is to continue working side-by-side, with the citizens of the town, to make this the best town to live and work in. I want to create opportunities for all Department employees. I want them to be able to attend the best training and have the most opportunities, to work with all our partners. Be it in the community or in the law enforcement field. We will live by the rule, “treat everyone with respect and leave it better than you found it.”

The members of the IPD practice the philosophy of Community Policing. This philosophy promotes a strong partnership between residents and their police departments. It is based on the premise that both the police and the community must work together as equal partners to identify, prioritize and solve problems such as crime, fear of crime in neighborhoods with the goal of improving the overall quality of life in your neighborhoods and in the community of Irondequoit. Community policing helps the public understand that police officers are also human beings, who go home at the end of their shifts and function within the community, just like the public they serve.

The Irondequoit Police Department has a rich history and respected reputation. In 2024, we are going to be celebrating our 100th Anniversary and look forward to sharing it with all town residents!

2022 RETIREMENTS

We would like to recognize the members of our sworn staff who retired in 2022. Chief Laird, Sgt Chaimang, Officer Lewis, Officer Jagoda and Officer Bohrer retired after serving our community for a combined total of over 100 years! IPD recognizes their long standing dedication to the department.

2022 also saw the retirement of two of our professional civilian staff who served the department faithfully for many years, records clerk Sheila Duff and the Administrative Assistant to the Chief, Mary Heckman. Their clerical support to the department over the years has been invaluable.

In contrast to these retirements, we have been able to hire eight highly qualified sworn officers into the department in 2022. Five were transfers from other departments and three were new recruits sent to the Police Academy. We continue to actively recruit for Officer positions and are always accepting resumes at police@irondequoit.gov.

The Records Division is an integral part of the Irondequoit Police Department. The Records staff provides support to the officers, the Irondequoit Town Court, District Attorney's Office, DJCS, and many other entities that require assistance from the department.

They adhere to a high level of confidentiality, strict regulations, and must qualify to use law enforcement databases. They receive, enter, disseminate, file, and maintain criminal and vehicle information that is necessary to archive, and provide clerical support 14 hours a day, five days a week to the officers.

In 2022, the Property Unit logged **1,873** items of non-agency property and evidence. **160** were drug/narcotic pieces and **138** were firearms. COMMUNITY ENGAGEMENT UNIT—PROGRAMS

DEA National Take Back Day

The Drug Enforcement Agency (DEA) National Prescription Drug Take Back Day events provide easy, anonymous opportunities to remove medicines in the home that are highly susceptible to misuse, abuse, and theft.

IPD partners with “Uplift Irondequoit,” a community based coalition that supports decreasing the prevalence of Drugs in our Community, to participate in this event which allows residents to properly dispose of unused drugs. At the event held in October, 270lbs of unused medications were collected from residents for proper disposal! In total IPD collected almost 890lbs of prescription drugs in 2022!

NARCAN Training for the Community

In 2022, IPD was able to provide NARCAN Training to the community. In the event of an overdose, quick response provides better outcomes for patients. If you have a loved one struggling with addiction to opioids, consider becoming trained on the use of NARCAN. “Take an hour, Save a Life.”

COMMUNITY ENGAGEMENT UNIT—PROGRAMS

National Night Out

The annual National Night Out rally is the Irondequoit Police Department's largest event. In 2022, was held at the Irondequoit Town Hall campus. National Night Out is a community event that promotes positive police-community relationships and enhances the relationships between neighbors and law enforcement. Local leadership, organizations, and first responder agencies attend the event to promote safety, crime prevention, and general well-being. Complimentary food was provided by Wegmans and dessert provided by Netsins Ice Cream. Truck. Sound system and Music provided by Legends 102.7.

Do the Right Thing Awards

The Do the Right Thing Awards program has been part of the Rochester Police Department (RPD) since 1995. The goal of Do the Right Thing is to foster positive relationships between local law enforcement and youth in the community. The Do the Right Thing Awards program recognizes youth for their bravery, courage and valor, such as volunteering, aiding law enforcement or other first responders, acts of heroism, leadership and positive role model behavior. The award distinguishes school-aged children who strive to make good choices, do well in school, give back to their community, or demonstrate an improvement in their behavior, and to publicly highlight these students and their stories in the media to show that good kids are newsworthy.” The Irondequoit Police Department regularly attends awards ceremonies that feature students from Irondequoit schools.

E-Commerce Exchange

For residents who buy and/or sell items online, i.e. Facebook Marketplace and Craigslist, there are two parking spots reserved in front of the Irondequoit Police Department with security cameras that are monitored by a 24-hour security camera. This exchange zone will allow for safer transactions.

COMMUNITY ENGAGEMENT UNIT - PROGRAMS

Bow Hunt Program

The Bow Hunt is an annual program to reduce the deer population in the Town of Irondequoit. The program occurs on days when school is ***not*** in session, and only occurs Monday thru Friday from sunrise until noon during the given dates that the program is open. In 2022, the ten-week campaign rendered the following:

- The season spanned from October 11th thru December 16th

- **83** deer taken in the program in 2022

S.M.A.R.T. Camera Program (Surveillance, Mapping, and Reporting Technology)

With the proliferation of privately owned cameras such as the Ring, Nest, Eufy, and more, the Irondequoit Police Department has partnered with community homeowners & businesses in our community to share their camera footage should a crime occur nearby. Privately owned camera systems have proven invaluable to IPD's officers and investigators. Video obtained from these camera systems has helped the Irondequoit Police Department to identify suspects, vehicles, and other crucial pieces of evidence, leading to the successful clearance of many crimes.

If you own such a camera system at your home or business and you are willing to assist the Irondequoit Police by sharing video during an investigation, please fill out the online form by visiting www.irondequoit.org/s-m-a-r-t-camera-project/

All members of this unit must successfully complete special state-sponsored training schools for crime scene investigation. Technicians performed 567 tech assignments in 2022.

Crisis Intervention Team

The Irondequoit Police Department has officers who are specially trained as Crisis Intervention Team (CIT) members. These officers have successfully completed a Crisis Intervention Training Program in conjunction with the Monroe County Office of Mental Health. This special skillset provides us with the necessary training to de-escalate a situation and offer consistent support to those individuals who are in need of such services.

The partnership between the IPD and MCOMH also allows for opportunity wherein a certified mental health professional accompanies an IPD officer on a regular basis. This additional resource is utilized to assist with in-progress situations as well as the opportunity to conduct home visits with those who have had a crisis-related call for service. This specialized training for IPD officers and the additional resources offered by the Monroe County Office of Mental Health demonstrate our desire to work with individuals who are in need of services during a crisis situation.

Special Events Volunteer Unit

Special Event Civilian Volunteers are a vital resource to the Irondequoit Police Department. Special Event Volunteers assist the Irondequoit Police Department and the community with special events throughout the Town of Irondequoit. A liaison officer from IPD is assigned to supervise and guide the activities of the civilians of the Special Events Unit and also to provide training throughout the calendar year. Training consists of conflict resolution, radio use and procedure, traffic control, crowd control, and officer safety, as well as other topics as deemed relevant by the department.
