Required Sign Posting: A public hearing sign provided by the Town must be posted on the property at least ten (10) days prior to the scheduled hearing. All public hearing signs must be returned to the Town after the hearing has closed. Failure to return the sign will result in the applicant being billed for replacement (\$25.00).

Public Hearing Process: At the scheduled public hearing, applicants or their representatives are required to present their case and answer questions from the Board. The Board then receives any public comments or questions related to the application. All applicants are given the opportunity to answer any questions raised and respond to any comments. After each case has been heard, the Board deliberates and renders a decision, unless a case is adjourned or tabled.

Denied Applications: Appeal from the Board's decision may be filed on or before thirty (30) days from the date the Record of Motion is filed with the Town Clerk through legal action.

Approved Applications: For approved Planning Board applications, the applicant/agent must submit the following items, if applicable, prior to the issuance of a Building Permit and/or Environmental Protection Overlay District Permit:

1. Two (2) copies of the Final site plan/Subdivision with any required modifications. All plans shall bear the original stamp and signature of the project engineer/architect.
2. Written easement approved by the Town and proof of filing with Monroe County Clerk's office. (if applicable)
3. One (1) copy of required permits for working within the Town, County or State Right of Ways. (if applicable)
4. Final plans with signatures from any other permitting agencies or a copy of the permit or letter from the permitting agency may be substituted in lieu of a signature.
5. An itemized estimate of all site work costs, excluding any building(s) must also be submitted to the Town for approval. A letter of credit or certified check for the approval amount shall be submitted to the Town's Community Development Department prior to the issuance of any building permits or letter with the site preparation work. (if applicable)
